# Southern Baptist Disaster Relief Ministry

*We Offer  
Hope in Crisis*

*Bringing  
Help, Healing, and Hope*

## Our Purpose

We organize trained volunteers to respond to disasters to meet urgent needs of hurting humanity in crisis situations in a timely response. We do this by contributing manpower, ministry, and help to victims of natural and man-made disasters.

## Cooperation

Southern Baptist Disaster Relief is the third largest relief agency in North America, following American Red Cross and The Salvation Army.

Southern Baptist Disaster Relief teams can be activated (called out) by American Red Cross, The Salvation Army, FEMA, as well as each own state convention. There are written agreements and Statements of Understanding (with detailed Operating Procedures) with the national headquarters of all organizations to ensure coordination of efforts in times when disaster relief is needed.

## Organization

- Disaster relief units are owned and staffed by Southern Baptist churches, regional Baptist associations, and state Baptist conventions.
- Volunteer teams respond to disasters within their own state and work cooperatively with other states in larger emergencies.
- Teams also respond overseas.

## Partnerships

- American Red Cross
- The Salvation Army
- National Voluntary Organizations Active in Disasters (NVOAD)
