SEA Harvest Mission Trip: July 9-23, 2021

The MWBC is mobilizing a mission team to Thailand to serve alongside national partners and missionaries on the field. Some planned activities are Bible school for kids, community service projects, sports and music camps, and leadership training for pastors and church leaders.

Who Can Go

This mission trip is open to all individuals over the age of 17 and mature in faith. Language skills are not required. The team will meet multiple times in person and online before the trip for training and team building, which also includes interactions with our partners in Thailand.

Location

Thailand is a country in Southeast Asia that is about the size of Minnesota, Wisconsin, and Iowa combined. It has a population of 69.43 million people, which is almost five times that of the three states combined. We will be serving primarily in Nan, a remote agricultural province in the north.
