

Dear Friends in Christ,

Grace and peace to you in the name of our Lord Jesus Christ.

My name is Victor Soro, and I serve as one of the pastors at the Ukrainian Baptist Church in Hopkins, Minnesota. As a faith community, we stand with our brothers and sisters in Ukraine during this time of deep suffering and loss. The continuing war has left many soldiers, civilians, and children with life-altering injuries — including the loss of limbs — and thousands are in urgent need of help.

I would like to introduce you to the Protez Foundation, an organization close to my heart that is doing extraordinary work to meet this need. The Protez Foundation provides state-of-the-art prosthetics, rehabilitation, and emotional and spiritual support — completely free of charge — to Ukrainian soldiers, civilians, and children who have suffered limb loss.

Their work is not only about restoring physical mobility, but also about restoring dignity, confidence, and hope. The Protez Foundation's ministry of mercy reaches those scarred by war and walks with them through the long journey of healing — physically, emotionally, and spiritually.

Today, I am asking you, as brothers and sisters in Christ, to join us in prayer for this mission:

- Pray for every patient's full recovery and emotional healing.
- Pray for the medical teams and volunteers, that God would strengthen and guide their hands and hearts.
- Pray that peace would come to Ukraine, and that the love of Christ would be made known through acts of compassion, preaching, and living out the Gospel.

I am also humbly inviting you to consider financially supporting the work of the Protez Foundation. Every gift — whether large or small — directly helps provide prosthetic limbs, physical therapy, and ongoing care to those who have lost so much. Your generosity can truly change a life.

If the Lord leads you to partner with us in this ministry, together we can be the hands and feet of Jesus to those in desperate need.

Thank you for your prayers, your compassion, and your willingness to stand with Ukraine in this critical time.

In Christ's service,

Victor Soro
